

# Your submission to Proposed mandatory phase out of single-use plastic shopping bags

**Reference no:** 876

**Submitter Type:** Individual

**Clause**

1. Do you agree with the proposed mandatory phase out of the sale or distribution of single-use plastic shopping bags in New Zealand, including those made of degradable (eg, oxo-degradable, biodegradable and compostable) plastic? Why / why not?

**Position**

Yes

**Notes**

It is a great step in the right direction for a better future for New Zealand.

**Clause**

2. We have proposed a mandatory phase out of single-use plastic shopping bags. This could include under 50 microns or under 70 microns in thickness. If you agree with a mandatory phase out, which option do you prefer, and why?

**Position**

less than 50 microns in thickness

**Notes**

**Clause**

3. Are you aware of types of single-use plastic shopping bags that should be exempt from a mandatory phase out?

**Position**

No

**Notes**

**Clause**

4. Do you currently manufacture, sell, provide or import for sale or personal use these types of single-use plastic shopping bags:

**Position**

No

**Notes**

**Clause**

5. Should smaller retailers be exempted from a mandatory phase out of single-use plastic shopping bags? Why / why not?

**Position**

No

**Notes**

**Clause**

6. If smaller retailers are exempted from a mandatory phase out of single-use plastic shopping bags and they are defined by their number of full-time equivalent employees, what should that number be?

**Notes**

3

**Clause**

7. The proposed mandatory phase-out period for single-use plastic shopping bags is at least six months from when regulations are Gazetted , subject to consultation. Do you agree with this timing?

**Position**

Yes

**Notes**

**Clause**

8. Do you agree that the benefits expected from implementing a mandatory phase out of single-use plastic shopping bags exceed the costs expected from implementing the phase out? Why / why not? Please consider both monetary and non-monetary costs and benefits (those that can be measured by money as well as those that can't).

**Position**

Yes

**Notes**

**Clause**

9. Do you think that reasonably practicable alternatives to single-use plastic shopping bags exist in New Zealand? Why / why not?

**Position**

Yes

**Notes**

Reusable bags may cost more but they are worth the money and easily accessible, newspaper can be used for a bin liner or you don't have to have a bin liner and there is no reason why we need plastic bags when New World and other large business etc are on board with this phase out.

**Clause**

10. How can people be encouraged to reuse multiple-use shopping bags enough times to offset the environmental impacts of producing them? (select one or more)

**Position**

national information campaign and mobile phone app for shoppers

**Notes**

**Clause**

11. What would help you and your family adjust to life without single-use plastic shopping bags?

**Notes**

Easy tips and tricks to help with the switch, like posters etc to show what you can use instead, make it really positive and highlight how it benefits us and the future generations of New Zealanders.
