

# Your submission to Clean Water

Simon Fox

**Clause**

What are your thoughts on the proposed swimming targets, for example, on the timeframes and categories?

**Notes**

Not good enough. Cop out. If I can't put my head under I'm not swimming.

**Clause**

What do you think about the proposed amendments to the Freshwater NPS?

**Notes**

Too little. Too late.

**Clause**

What are your thoughts on the proposed stock exclusion regulation, for example, the timeframes and stock types to be excluded?

**Notes**

Not good enough. No stock in the water. Starting yesterday.

**Clause**

Do you have any other comments on the contents of the Clean Water discussion document?

**Notes**

Hot air. Language used is not suitable for the majority thus excluding that majority from the conversation.
