**Auckland Council’s submission on Action for Healthy waterways. A discussion document on national direction for our essential freshwater**

Thank you for providing Auckland Council with the opportunity to make a submission on the discussion document entitled ‘Action for Healthy waterways. A discussion document on national direction for our essential freshwater’. Auckland Council’s submission is attached.

In preparing this submission the council has included input from two of its substantive CCOs (ie, Watercare Services Ltd, Auckland Transport) on relevant operational matters.

In addition, Auckland Council’s submission was canvassed with the Independent Maori Statutory Board. Five local boards have also provided comments on the discussion document, as input into the council’s submission.

This submission is endorsed by the Personal details removed and Personal details removed, with delegation on behalf of the Governing Body held until 21 October 2019.

Please contact Personal details removed, Natural Environment Strategy (Auckland Plan, Strategy and Research Department), if you have any queries regarding Auckland Council’s submission.

Kind regards,
