Subject: Submission 05064 - Robin Fullmer - re proposed amendment to NPS-FM 2011
Date: Tuesday, 4 February 2014 9:55:23 a.m.

I wish to submit my opposition to the proposed amendment to NPS-FM 2011 and I ask that Section 4.3 Compulsory Value be set to a swimmable/safe immersion level.

As a frequent user of the glorious rivers we have in the Nelson region I am appalled at any suggestion of lowering the acceptable level of water quality. We have already noticed a decline in water quality on some of our rivers and hate to think that this trend will continue.

Yours sincerely
Robin Fullmer
