Subject: Submission 03145 - Margaret Winter - Submission on the amendments to the NPS for freshwater management (2011)
Date: Monday, 3 February 2014 9:44:39 p.m.

To whom it may concern,

FEEDBACK ON THE PROPOSED AMENDMENTS TO THE NATIONAL POLICY STATEMENT FOR FRESHWATER MANAGEMENT (2011) AND THE NATIONAL OBJECTIVES FRAMEWORK

I am against the amendments to the pollution limits, as I do not think that setting very high nutrient limits for all freshwater systems will help to improve pollution levels overall.

I do not support the governments approach to this issue.

Yours faithfully,
Margaret Winter
