

Subject: Submission to the consultation on banning the sale and manufacture of plastic microbeads in personal care products in New Zealand

Recipient: microbeads@submissions.mfe.govt.nz

Sender: Microbeads.submissions@mfe.govt.nz

Date: 01/02/2017 09:55 AM

I would like a blanket ban on all microplastics that could end up in the ocean, including so-called biodegradable products. I would also like a total ban legislated as soon as possible with no loopholes as is the case in the United States of America. This should be implemented by 2018. Sincerely, Geoffrey Hinds
