

# Your submission to Clean Water

Rose, Beatrice and Maria Hessel

## Clause

Do you have any other comments on the contents of the Clean Water discussion document?

## Notes

We think the waterways should be protected so that water quality is improved. We want to be able to swim in rivers and lakes, not just wade, and we want it protected so that wildlife can live there too. We agree that iwi/hapu should have a greater say in the management and governance of water resources.
