Overall Notes:

Clause

1. Do you agree with the Government's proposal to prohibit the manufacture and sale of personal care products containing microbeads (eg, body scrubs, facial cleaners, toothpastes) to reduce their impacts on New Zealand's environment and human health? Why/why not?

Position

Yes

Notes

Clause

2. What are your views on the Government narrowing or widening the definition of the scope of personal care products containing microbeads to be prohibited from manufacture and sale in New Zealand?

Notes

Totally support Nick Smiths proposal

Clause

3. Do you currently manufacture, sell or use any personal care products containing microbeads? Please specify.

Position

No

Notes

Clause

4. Do you currently manufacture, sell or use any personal care products containing microbeads for medically prescribed uses or purposes? Please specify.

Position

No

Notes

Clause

5. Do you currently import any personal care products containing microbeads into New Zealand, either for sale or personal use? Please specify.

Position

No

Notes

Clause

6. Are you aware of any personal care products containing microbeads for any purpose that could be considered an essential or critical use?

Notes

Would like more info as to what products contain microbeads so I can avoid buying them.

Clause

7. Do you currently manufacture, sell or use any alternatives to personal care products containing microbeads (or components therein), which are designed and used for the same purpose(s)? Please specify.

Position

No

Notes

Clause

8. Do you consider the alternatives to personal care products containing microbeads (or components therein) to be reasonably practicable, readily available, and similarly priced for existing personal, business or other uses? Why/why not?

Notes

Not sure about the alternatives and their availability and pricing - need more info.

Clause

9. Is there any reason why the alternatives would not be reasonably practicable, readily available, or similarly priced for personal, business or other uses? If so, would you consider operating against the policy intent and importing personal care products containing microbeads from overseas?

Position

No

Notes

Clause

10. What would be the impact on you or your business if personal care products containing microbeads were prohibited for manufacture and sale in New Zealand and the alternatives were not reasonably practicable, readily available, or similarly priced?

Notes

Not applicable

Clause

11. Do you support the Government's approach to administration and enforcement of the proposed regulations under the Waste Minimisation Act? Why/why not?

Notes

I support Nick Smiths proposal to ban products containing microbeads.

Clause

12. Are there any other considerations for administration and enforcement of the proposed regulations that have not been outlined in the Administration and enforcement section in the Managing microbeads in personal care products consultation document?

Notes

Not applicable

Clause

13. What are your views on the Government's proposed timeframe for entry-into-force of the regulations under the Waste Minimisation Act to prohibit the manufacture and sale of personal care products containing microbeads?

Notes

The sooner the better to have these products banned!

Clause

14. Are there any issues about the proposed timeframe for entry-into-force of the regulations that the Government should consider?

Notes

As above

Clause

15. Are there any ways the Government could help industry or consumers transition away from personal care products containing microbeads ahead of the regulations' entry-into-force?

Notes

More Greenpeace adverts educating people about the horrors and pain that microbeads cause to wildlife are needed in my opinion.

Clause

16. Do you have any further comments you wish to make about the Government's proposal?

Notes

No
