Overall Position:

Clause

1. Do you agree with the Government's proposal to prohibit the manufacture and sale of personal care products containing microbeads (eg, body scrubs, facial cleaners, toothpastes) to reduce their impacts on New Zealand's environment and human health? Why/why not?

Position

Yes

Notes

Because prohibiting such products means less damage to our sea life in particular.

Clause

2. What are your views on the Government narrowing or widening the definition of the scope of personal care products containing microbeads to be prohibited from manufacture and sale in New Zealand?

Notes

I believe the government should widen the definition of the scope of personal care products containing microbeads to be prohibited from manufacture and sale in NZ.

Clause

3. Do you currently manufacture, sell or use any personal care products containing microbeads? Please specify.

Position

No

Notes

no

Clause

7. Do you currently manufacture, sell or use any alternatives to personal care products containing microbeads (or components therein), which are designed and used for the same purpose(s)? Please specify.

Position

No

Notes

Clause

8. Do you consider the alternatives to personal care products containing microbeads (or components therein) to be reasonably practicable, readily available, and similarly priced for existing personal, business or other uses? Why/why not?

Notes

I don't know

Clause

9. Is there any reason why the alternatives would not be reasonably practicable, readily available, or similarly priced for personal, business or other uses? If so, would you consider operating against the policy intent and importing personal care products containing microbeads from overseas?

Notes

I don't know

Clause

10. What would be the impact on you or your business if personal care products containing microbeads were prohibited for manufacture and sale in New Zealand and the alternatives were not reasonably practicable, readily available, or similarly priced?

Notes

I have already stopped using anything that contains microbeads (I read the label of beauty products

Clause

11. Do you support the Government's approach to administration and enforcement of the proposed regulations under the Waste Minimisation Act? Why/why not?

Position

Yes

Notes

Because our seas need help - and this action helps our seas ... our environment.

Clause

12. Are there any other considerations for administration and enforcement of the proposed regulations that have not been outlined in the Administration and enforcement section in the Managing microbeads in personal care products consultation document?

Notes

I'm sure there are ... and I don't know of them.

Clause

13. What are your views on the Government's proposed timeframe for entry-into-force of the regulations under the Waste Minimisation Act to prohibit the manufacture and sale of personal care products containing microbeads?

Notes

the sooner the better

Clause

14. Are there any issues about the proposed timeframe for entry-into-force of the regulations that the Government should consider?

Notes

I don't know

Clause

15. Are there any ways the Government could help industry or consumers transition away from personal care products containing microbeads ahead of the regulations' entry-into-force?

Notes

I don't know

Clause
