

Your submission to Clean Water

Hamish Mitchell

Clause

What are your thoughts on the proposed swimming targets, for example, on the timeframes and categories?

Notes

Not clear, not good enough.

Clause

What do you think about the proposed amendments to the Freshwater NPS?

Notes

Not good enough to save fish life from extinction.

Clause

What are your thoughts on the proposed stock exclusion regulation, for example, the timeframes and stock types to be excluded?

Notes

Not soon enough.

Clause

Do you have any other comments on the contents of the Clean Water discussion document?

Notes

Complete lack of action as report after report slam water quality, we have no time to debate this anymore. Most of Canterbury's ground water had been ruined in last 15 yrs. Polluters must pay!!
