Submitter Type: Individual

Source: Web Form

Overall Position: Support

Overall Notes:

Clause

1. Do you agree with the Government's proposal to prohibit the manufacture and sale of personal care products containing microbeads (eg, body scrubs, facial cleaners, toothpastes) to reduce their impacts on New Zealand's environment and human health? Why/why not?

Position

Yes

Notes

Our oceans are so full of plastic which drifts around even into 'pristine' unpopulated areas. We have to take responsibility and stop messing up, not only our own backyard, but also anywhere else. Non-essential products like these have to be the first to go.

Clause

2. What are your views on the Government narrowing or widening the definition of the scope of personal care products containing microbeads to be prohibited from manufacture and sale in New Zealand?

Notes

Any ban on non-essential plastic consumables is a good idea.

Clause

3. Do you currently manufacture, sell or use any personal care products containing microbeads? Please specify.

Position

No

Notes

Not since I learnt about the damage that they cause.

Clause

4. Do you currently manufacture, sell or use any personal care products containing microbeads for medically prescribed uses or purposes? Please specify.

Position

No

Notes

Clause

5. Do you currently import any personal care products containing microbeads into New Zealand, either for sale or personal use? Please specify.

Position

No

Notes

Clause

6. Are you aware of any personal care products containing microbeads for any purpose that could be considered an essential or critical use?

Notes

No

Clause

7. Do you currently manufacture, sell or use any alternatives to personal care products containing microbeads (or components therein), which are designed and used for the same purpose(s)? Please specify.

Position

Yes

Notes

Baking soda for cleaning and toothpaste. Oatmeal for facial care.

Clause

8. Do you consider the alternatives to personal care products containing microbeads (or components therein) to be reasonably practicable, readily available, and similarly priced for existing personal, business or other uses? Why/why not?

Position

Yes

Notes

Clause

9. Is there any reason why the alternatives would not be reasonably practicable, readily available, or similarly priced for personal, business or other uses? If so, would you consider operating against the policy intent and importing personal care products containing microbeads from overseas?

Position

No

Notes

Clause

10. What would be the impact on you or your business if personal care products containing microbeads were prohibited for manufacture and sale in New Zealand and the alternatives were not reasonably practicable, readily available, or similarly priced?

Notes

No impact

Clause

11. Do you support the Government's approach to administration and enforcement of the proposed regulations under the Waste Minimisation Act? Why/why not?

Position

Yes

Notes

Clause

13. What are your views on the Government's proposed timeframe for entry-into-force of the regulations under the Waste Minimisation Act to prohibit the manufacture and sale of personal care products containing microbeads?

Notes

The sooner the better
