

Your submission to Clean Water

Teresa

New Zealand

Clause

What are your thoughts on the proposed swimming targets, for example, on the timeframes and categories?

Notes

Too lax, too slack. We are SUPPOSED to be clean and green, not full of nitrates and cow crap.

Clause

What do you think about the proposed amendments to the Freshwater NPS?

Notes

They undermine water quality. Moving the goalposts? Really? That dog won't hunt, son.

Clause

What are your thoughts on the proposed stock exclusion regulation, for example, the timeframes and stock types to be excluded?

Notes

The are not stringent enough. NZ has too much dairy farming. Dairy farming should be reduced by 50% over the next 10 years.
