Notes:

- Auckland:** Permitted in Regional Plan Air, Land and Water, and Proposed Unitary Plan. Discretionary in Regional Coastal Plan.
- Hawkes Bay:** Permitted in Plan but Rule conditions too difficult to meet so reverts to Discretionary activity status.
- Tasman:** Controlled in Plan but defaults to Discretionary Activity in most instances as waterways cannot be avoided.
- Marlborough:** Activity status depends on whether the operation is on public or private land, zoning and water class.
- Canterbury:** Discretionary activity status if operation triggers Opihi River Regional Plan.
