Dear Professor Skelton

### **Hurunui Water Conservation Order**

1. We refer to the revised Application for a Canterbury Water Conservation Order on the Hurunui River dated July 2010.
2. The applicants New Zealand and North Canterbury Fish and Game Councils and Whitewater New Zealand have considered the status of the Water Conservation Order application in light of the pending catchment review process on the Hurunui/Waiiau Catchment. The applicants withdraw the application for a Water Conservation Order so that they may instead focus on the collaborative process in respect of the catchment plan for the Hurunui/Waiiau Catchments.
3. Please confirm that Environment Canterbury will advise submitters to the Water Conservation Order application of this withdrawal directly. Alternatively please advise if any action is required from the applicants in this regard.

Yours faithfully  
**Anderson Lloyd**
